Of Miss Korous Dying Of Poison

most instant death."

The stomach showed no evidence of conditions of disease or illners.

The membranes gave no evidence of the action of powerful corrosive or

The membranes gave no evidence of the action of powerful corresive or caustic drugs, such as arsenic, corresive sublimate or the like.

The complete absence of food and liquid confirms, in Mr. Harms opingion, the theory that death must have occurred at least five or six hours after partaking of solid food.

In spite of the fact that decomposition had set in, the tissues had a normal natural appearance as if death had been but a short time before the test was made. This was the result of artificial dyeing by the coloring matter present. This coloring was found to be of the same character that is used in coloring hard conditions, tablets and pills. To produce the amount of coloring present in the stomach it would have required a very large number of pills or tablets, like the well-known sugar-coated pink cascara eathards.

## "DANDERINE"

Girls! Save Your Hair Make It Abundant!

Immediately after a Danderine mas sage, your hair takes on new life, lus ter and wondrous beauty, appearing twice as heavy and plentiful, because each hair seems to fluff and thicken. Don't let your hair stay lifeless, colorbon't let your hair stay lifeless, colorless, plain or scraggly. You, too, wantlots of long, strong, beautiful hair.

A'35-cent bottle of delightful Danderine freshens your scalp, checks
dandruff and falling hair. This stimulating "beauty-tonic" gives to thin. alating "beauty-tonic" gives to thin, full, fading hair that youthful brightness and abundant thickness. All drug-

PLANS FOR TRIANGULAR

### PLANS FOR TRIANGULAR DEBATE FORMULATED

SALT LAKE, Nov. 26.—Plans for the annual Utah intercollegiate triangle debate were formulated yesterday in a meeting between representatives of the University of Utah, Utah Agricultural college and Brigham Young university, held in the Newhouse hotel. It was decided to hold the debate during the second week of March, with the exact date to be decided later. Alvin Peterson of the Agricultural college was elected chairman, and E. L. Wilkenson, of the Brigham Young university secretary of the meeting and versity secretary of the meeting and secretary of the triangle debate.

The question to be debated is. "Should Utah establish industrial courts for the settlement of labor disputes patterned after the Kansas plan?"

Each school will have two debating teams, the affirmative team to debate, at home. The local team will be al-lowed the privilege of choosing the three judges, one of whom shall be taken from their own fown. The rules covering the details of the debate will be drawn up immediately and presented to the three schools
